

**The Paramedic Association
of New Brunswick**

**L'Association des paramédics
du Nouveau-Brunswick**

As you are aware, each year the Paramedic Association of NB releases a Mandatory Education Module that forms part of the Annual Re-registration process. This year we are pleased to announce that the module will be done online and will be an interactive module that we contracted to have prepared. The overall topic of the module will surround Cardiology. Please see the information below that will explain how you access the learning.

1. Follow the following link

Re-Registration Education Module PANB/Module de Formation sur la Réinscription à PANB

 [PANBED2020](#) 

Once you have completed the module and you have saved your certificate on your computer, you can proceed to the re-registration site: <https://spd-bdsf.gnb.ca> and log your completion and evidence as a credit under the Continuing Education Credits tab as a “Certificate Short Course – Other EMS Related Course” The course is worth 1 hour and should be listed as Mandatory Education Module. If you have questions please send them to mandatory@panb.ca.

The screenshot shows the 'Continuing Education Credit Assessment Tool' interface. At the top, it identifies the user as Christopher Hood with registration number 3324 and year 2021. A status box indicates that CPR, ACLS/PALS, and liability insurance are incomplete, while continuing education credits are also incomplete. The form includes dropdown menus for 'Section' (set to 'Certificate Short Course') and 'Activity' (set to 'Other EMS related course - To be approved by RRDC (# hours)'). Below this, a text box for 'Description' contains 'Mandatory Education Module'. A 'Supporting Documentation' section shows a file named 'Screen Shot 2...at 4.06.46 PM.pdf'. A 'Submit' button is at the bottom. A footer bar shows 'Total Eligible Credits' as 0.0/64.0.
